- 1.2.1 To select athletes who can significantly contribute to the Team Event Performance Objective (2.2.1)

4. SELECTION CRITERIA

Automatic Selection Process

4.1 Athletes who meet any of the following criterion within 12 months of the selection date will be **automatically** selected in respect to Performance Objectives 1.1.1 and 2.1.1 for this Event.

- Final of U17 Danish Cup
- Final of U17 Sweden International (January 2019)

Secondary Selection Process

At the conclusion of the automatic selection process against Policy Objective 1.1.1 and Performance Objective 2.1.1 the Panel will, if there are insufficient athletes to fulfil/provide sufficient cover for the Team Event (minimum 2 male, 2 female), consider further athletes against the Policy Objective 1.2.1 who have met criterion under 4.2. For the avoidance of misinterpretation, meeting criterion under 4.2 does not automatically guarantee selection.

4.2 The process of selection at this secondary stage will in the first instance consider the meeting of criterion below within 12 months of the selection date and take account of the additional consideration points stated below where relevant;

- Final at U17 [BE identified](#) Badminton Europe International
- Medal at U17 Danish Junior Cup
- Medal at U17 Sweden International (January 2019)
- Win at U17 National Championships

Should there still be insufficient athletes to fulfil a Team following the conclusion of the above, consideration will be given to those athletes who have met any of the below criterion listed in 4.3 relevant to Policy Objective 1.3.1, where relevant the additional consideration points will once again be taken into account. For the avoidance of misinterpretation, meeting criterion under 4.3 does not automatically guarantee selection at this point in the process;

4.3 The process of selection at this tertiary stage will in the first instance consider the meeting of criterion below within 12 months of the selection date and take account the additional consideration points stated below where relevant;

- Significant results and performances – defined as wins over or performances against athletes who are performing at the highest European and/or World level in the expert opinion of the Selection Panel
- Final of Singles/Win in Doubles at U15 8 Nations
- Medal by an U15 athlete at U17 [BE identified](#) Badminton Europe International

Additional Considerations (re. 4.2 and 4.3)

When considering 4.2 and 4.3, the Panel will take into account the following during their discussion;

- Quality of the Event/discipline and opposition
 - Wins against World Junior/European Junior/6 Nations medallist/s;
 - World Junior Rankings where applicable;
 - Draw size;
 - Number of seeds;
- Unforeseen circumstances that over-promote an athlete's performance level i.e. byes, walk-overs and withdrawals.
- Impact of partnering a senior athlete;
- Where similar results are present, age will be a factor when selecting an athlete who is one or two years young and performs consistently against recognised older opposition;
- Where similar results are present, an athlete's current results and consistency will take priority;
- Athletes rate of development and commitment;
- Extenuating circumstances e.g. significant/long term injury or illness, which has impacted on an athlete's ability to compete during the period during which athletes are required to have met criteria. Where this is the case, the athlete's prior performance level will be considered.
- For EJP athletes, the Panel will take into account adherence to the Athlete Agreement i.e. commitment to Pathway activity, progress against agreed goals etc.

N.B In exceptional circumstances, should the above criteria not provide sufficient players to fulfil a Team, the Panel may consider looking at reducing the specific result criteria in 4.1-4.3 above to consider athletes hitting one result below that which is published.
