- Where similar results are present, age will be a factor when selecting a player who is one or two years young and performs consistently against recognised older opposition;
- Where similar results are present, a player's current results and consistency will take priority;
- Player's rate of development and commitment;
- Significant/long term injury or illness that has impacted on a player's ability to compete during the period during which players are required to have met criteria. Where this is the case, the player's previous performance level will be considered.
- For England Junior Pathway players, the Panel will take into account adherence to the Player Agreement i.e. commitment to Pathway activity, progress against agreed goals etc.
- For non-England Junior Pathway players, the Panel will take into account any previous engagement with Pathway and ability of player to contribute to both the individual and team event
