Funding

23. Total amount requested from Sport England
24. Please explain how you'll spend the funding and how the value was calculated.
25. How much income do you estimate your organisation has lost/will lost? This can include retrospective losses from 1 March, 2020, and/or projected losses through to 31 July, 2020.
26. Please detail any supporting information relating to question 25, e.g. how the losses were calculated.
27. If your organisation has any reserves or savings, please tell us how much.
28. If you answered question 27, please detail any supporting information here, e.g. how that money could be spent.

Related information

29. Please describe the work your organisation does and who in the community benefits from it.
30. Please briefly describe the activities your organisation has delivered in the last 12 months.
31. How are you staying in touch with your participants during this period of restricted movement?
32. What would the consequences be if your organisation is not successful in securing this funding?
33. Is there any other support or guidance that would help you at this time? If yes, please detail below.

You will also have the opportunity to email further supporting information and will be asked to declare if you are doing so.
