

## **10. Away Trips Guidance**

Badminton England endorses the guidance provided by the Child Protection in Sport unit regarding the management of sports events. This guidance includes areas such as overnight stays, recruitment of staff and additional vulnerabilities.

Click here to work through the online assessment tool to help manage your badminton event:

<https://thecpsu.org.uk/event-management/>

The online tool covers events at different levels from local informal gatherings to regional / national and international travel.

There is also an option to download the full pdf of information from this link.
