4. SELECTION CRITERIA

The Panel will consider selection of players for these Championships by following the below.

4.1 Players will be considered for these Championships in respect to Policy Objective 1.1.1 and Performance Objective 2.1.1 following consideration of the below:

- Track record of medalling at previous 2019 World Junior Championship, 2019 European U17 or European U19 Individual Championships, or 2020 Dutch or German Junior Internationals

4.2 Following selection of players against 1.1.1, the Panel will consider further players for selection for the Team Event against Policy Objective 1.2.1 and 1.3.1 by considering the below:

- Results, performances, relevant head to head results and physical assessment data from the Junior Pathway Engage/Progress Trial days (19th-20th June and 3rd July)
- Results and performances, including relevant head to head results in domestic Junior and Senior Gold Tournaments in 2021 (where applicable in the Junior Singles events, only Gold Star results will be considered where there is a split)
- Junior Pathway identified International Events in January & February 2020 – Malaysia WT500, Estonia IS, Indonesia WT500, Sweden IS, Polish Junior IS, Thailand WT300, Iceland FS, Spain WT300, Austria IC, Italian Junior IC, China WT100, Slovakia FS and Dutch Junior GP
- Junior Pathway identified International Events from 1st August 2021 to selection date – Bulgarian Junior IS, Bulgaria IS, Akita TS100, Spanish Junior Open IS, French U17 Open, Danish Cup Junior IS, Danish Junior Cup U17

When taking into account the above information, the Selection Panel will consider the following whilst utilising their expert knowledge and opinion during deliberations:

- Information available from player assessments completed by assessors at the Trial Days, including detail on technical, tactical, physical and performance behaviours
- Ability to perform under pressure and against higher ranked players/pairs at the above identified Tournaments and Trial Days
- When considering selection of doubles pairs, the Panel will consider previous results at the above identified Tournaments and performances by pairings at Trial Days which may include newly formed pairings
- Quality of the Tournament/discipline and opposition
- Unforeseen circumstances that over-promote a player's performance level i.e., byes, walk-overs and withdrawals

- Impact of partnering a senior player
- Where similar results are present, age will be a factor when selecting a player who is one or two years young and performing consistently against recognised older opposition
- Where similar results are present, a player's current results and consistency will take priority
- Significant/long term injury or illness that has impacted a player's ability to compete/attend Trial Days as per this Policy criteria. Where this is the case, the player's previous performance level will be considered

N.B Following consideration of the above, if there are sufficient players selected for the Team Event under 1.2.1 and 1.3.1, those players may be entered in the Individual Event in one or more discipline at the discretion of the Team Management. Furthermore, if there are insufficient players to make up a Team Event entry which the Panel believe is capable of achieving the Policy and Performance objectives, the Panel will only select players for the Individual Event.
