4.3 Following selection of players against Objectives 2.1 and 2.2, utilising 4.1 and 4.2 above, the Panel will only consider further players for selection for this Event against Objective 2.2 should selection under 4.1 and 4.2 have provided insufficient players to fulfil and provide necessary cover for the Team Event, as per the Event Regulations, Policy Objective 2.2 and in the expert opinion of the Panel. N.B Significant result and/or performance is defined as wins over or performances against players who are performing at the highest European and/or World level in the expert opinion of the Selection Panel

ADDITIONAL CONSIDERATIONS FOR SELECTION

When taking into account the above result criteria under both 4.1-4.3, the Selection Panel will consider the following in relation to those Events listed in section 4, whilst utilising their expert knowledge and opinion during the deliberations:

- Quality of the Tournament/discipline and opposition
- Unforeseen circumstances that over-promote a player's performance level i.e., byes, walk-overs and withdrawals
- Impact of partnering an older player at the above identified Tournaments
- Where similar results are present, age will be a factor when considering selecting a player who is one or two years young and is performing consistently against recognised older opposition
- Where similar results are present, most recent results, head to heads and consistency will take priority
- Significant/long term injury or illness that has impacted a player's ability to compete. Where this is the case, the player's previous performance level will be considered by the Panel

N.B In exceptional circumstances, should the above criteria not provide the minimum number of players to fulfil a Team in line with the Event regulations (minimum of 2 male and 2 female), the Panel will consider reducing specific result criteria to consider athletes who have met one result below the criteria published and where this has not been considered under section 4 already i.e., a semi-final is listed in criteria, the Panel would then consider a quarter final result. If this is required, the Panel will consider results one level lower in 4.1 first. If this does provide sufficient players, the Panel will then consider players who have met one result level lower under the results listed in 4.2. If this does provide sufficient players, the Panel will then consider players who have met one result level lower under the results listed in 4.3.
