

Development Fund FAQs

Question	Response
<p>We would like to apply for funding to promote the club locally in order to attract new members. This could include a website, adverts in the local paper, pop up banners and vinyl banners to attach to fences in the town.</p> <p>Would we be eligible to apply for these?</p>	<p>Yes, we would welcome an application around promotion of club activities to encourage growth and sustainable club environments.</p> <p>We have just launched a website builder as part of the JustGo membership platform. This can be accessed at renewals and is a new benefit for the 2023/24 season. Therefore, we will not fund website costs.</p>
<p>I have a question about the Badminton England Development Fund:</p> <ul style="list-style-type: none">• Can I apply for a maximum of £3000 across all 3 rounds of funding?• Or is it a maximum of £3,000 per round?	<p>You can apply for a maximum of £3000 for each round. However, only one successful project will be funded per club/coach per season. If you are successful, you can not apply again during the same season.</p> <p>Priority will be given to clubs that have consistently supported the Badminton England community through affiliation and membership.</p> <p>There is a panel at each round of funding, so applications cannot be guaranteed to be funded. We are looking for new activity that supports growth or retention and can evidence sustainability.</p>
<p>Please can you send me more information about the new development fund and what sort of projects might be considered for funding?</p>	<p>We will consider all types of funding as long as it is sustainable, and you can provide evidence of impact.</p> <p>Priority will be given to projects that support the recruitment and retention of disabled and female members, but we will look at projects outside of this.</p>
<p>Can schools apply for funding?</p>	<p>The eligibility criteria states we will only fund affiliated Clubs or coaches. Therefore, a school will need to be linked to one of these and the club/coach should make the application.</p>
<p>When will a decision be made</p>	<p>Within 7 working days of the panel date, as specified on the webpage https://www.badmintonengland.co.uk/on-court/developmentfund/</p>

We are looking to apply for 3 new projects for our club. Should applications be submitted as 3 different applications, or all 3 projects as one application?

You can only submit one application per club/coach per round.
