# COMPETE MEMBERSHIP & UPGRADE

**Sign up for the Compete upgrade in the same way as signing up for membership (see pages 6 & 7).**

When signing up for a Compete membership / upgrade you will be required to pay a “County Fee”. This fee goes directly to your County to help develop badminton in your area. If you have any questions or would like more information on County Fees we’d recommend contacting your County directly.

## UPGRADING

If you already have a membership, when you select the Compete option your original membership fee will automatically be deducted so you are just paying the upgrade fee.

## NEW MEMBER

If you do not currently have a valid membership you will be charged the full amount, to include an adult or junior Player membership, depending on age.

## EXPIRY DATE

When purchased as an upgrade, the expiry date will be in line with your current membership renewal date.

## CLUB MEMBERS

Compete members need to join, renew or upgrade their own memberships, this can not be done through a club.
